Welcome to Café the Lodge's Featured Artists Exhibit! Café the Lodge is a vocational training program for adults with mental health diagnoses in Northampton County. Café the Lodge believes in breaking the stigma of mental health through quality services and transparency of who we are. Cafe the Lodge is offering the option to Local Artists to display and sell their artwork at Café the Lodge.

We ask that all artists submitting work price reasonably and submit a bio to be posted on the wall. We encourage all artists to submit a headshot on the bio as we feel it creates a more personal bio, but we do not require artists to do so. We encourage artists to frame their work as it creates a more professional piece but we do not require it. At this time there is no pre-established maximum or minimum number of works that artists may submit. Artists should speak with the Director of Café the Lodge, Ian Panyko, to discuss their work and how many pieces will be accepted and/or displayed.

When artwork is sold in Café the Lodge as part of the Artist In Recovery exhibit the cafe will receive 15% of the total sale and 85% will go directly to the artist. All sales of art in the Cappuccino Room exhibit are the responsibility of the featured artist to manage. Café the Lodge does not take any portion of sales from the Cappuccino Room exhibits. All artists are responsible for reporting artwork sales as income in accordance with local and federal tax laws.

The undersigned hereby acknowledges and agrees to comply with all rules and guidelines set forth above. Additionally the undersigned acknowledges that Resources for Human Development is not liable under any circumstances for personal injury, damage, loss, destruction or theft that may occur as a participant in the Artists In Recovery exhibit or as a Featured Local Artist through Café the Lodge.
